Circuit Information

Pit garages: Yes
Catering: Snack bar in paddock, plus self-service restaurant (not always open)
Petrol: 400 yards outside circuit
Noise Level: 105db Evening 102db Grand Prix 101db
GP circuit: 2.6 miles - Indy circuit: 1.2036 miles

There has been a race track at Brands since 1926, when the land was first used for grass track bike racing. In those days, competitors ran anti-clockwise, but the direction of the circuit was switched in 1954. History seeps from every fibre of its being and, as a spectator venue, it is unsurpassed in what it can offer. The natural amphitheatre that is its 1.2 mile Indy configuration offers unparalleled views of the action. The World Superbike Championship has become an annual pilgrimage for bike fans all over the globe. The circuit's unique combination of dips, cambers, fearsome corners and hills means it is still one of the world's favourite racing circuits.

Check in commences at 07.30 with a full rider briefing at 08.40 for ALL riders. Please arrive as early as possible, the quicker you are checked in the quicker track time can start. All riders OF ALL GROUPS must attend the briefing to be allowed on circuit, you will be presented with a voucher without which you will not be allowed on track. The sessions commence with the Fast group out on track at 09:00 followed by Intermediate and then Novice groups. Sessions are usually 20 minutes. We run sessions until 17:00 with an hours break for lunch.

For our evening track events, check in is between 16:30 and 17:00 with a full rider briefing for ALL riders at 17:00. Briefing attendance is compulsory and the voucher system for the evening is as per the paragraph above. The sessions commence with the Fast group out on track at 17:30 followed by slow group. Sessions are usually 20 minutes. We run sessions until 20:00.

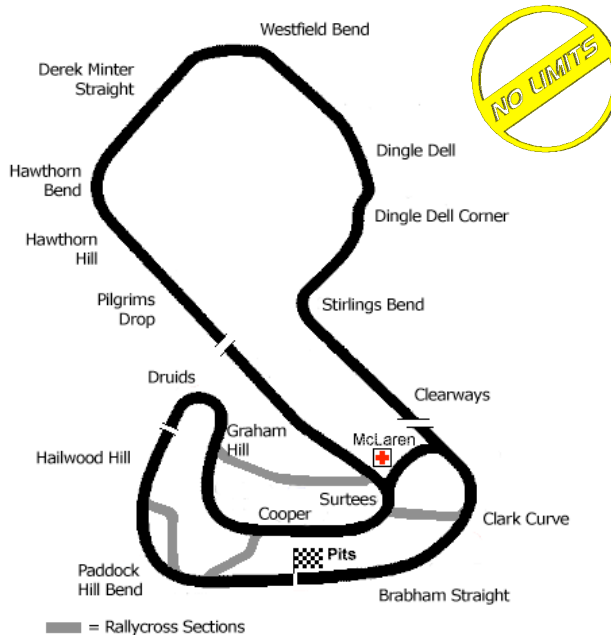

Please note the noise level at Brands Hatch is 105db (evening 102db Grand Prix circuit 101db). All bikes are noise tested before being allowed on circuit so please get there as early as possible. If you go over this you may be refused access to the track. This is up to the discretion of the circuit and beyond No Limits control. In this event no refund or credit note may be given.

The circuits that we use insist that you wear one-piece race or two-piece zipped together leathers, gloves, boots and an ACU approved safety helmet. If you don't wear these items on the day, the circuit will not allow you to ride. Please note certain types of helmet ie. Simpsons are not approved for bike riding

Our instructors will be on hand for advice about bike set up and track riding. Please come and see us on the day if you need our assistance.

Please complete the enclosed disclaimer forms (No Limits & MSV forms) and bring them with you to the circuit (one of each per rider). Also, you **must** bring your full un-restricted UK bike licence or ACU licence on the day at Brands Hatch. **No licence, no riding.** Please note this is not our ruling but the circuits and we have no control over the matter, therefore we are unable to offer refunds of any sort if you arrive without your licence at these circuits.

Look forward to seeing you on track.
