Petrol: 1 mile from circuit (cash only)
Noise Level: Strictly 105db
Full circuit: 2.170 miles.

Situated in the Lincolnshire countryside on the A153, between Horncastle and Louth, Cadwell is a superb bike circuit. It has everything. At just over 2 miles long it is crammed with two straights, lefts, rights, slow bends, fast bends and the awesome Mountain. The track is fairly narrow, so having the correct line is probably more important than at any other circuit. With good access to virtually the whole track, especially through the woodland circuit, the atmosphere at Cadwell is always warm and friendly.

Check in commences at 7:30 with a full rider briefing at 08:40 for ALL riders. Please arrive as early as possible, the quicker you are checked in the quicker track time can start. All riders OF ALL GROUPS must attend the briefing to be allowed on circuit, you will be presented with a voucher without which you will not be allowed on track. The sessions commence with the Fast group out on track at 09:00 followed by Intermediate and then Novice groups. Sessions are usually 20 minutes. We run sessions until 17:00 with an hours break for lunch.

Please note the noise level at Cadwell Park is 105db. All bikes are to be noise tested before their first session. If you go over this you may be refused access to the track. This is up to the discretion of the circuit and beyond No Limits control. In this event no refund or credit note may be given.

The circuits that we use insist that you wear one-piece race or two-piece zipped together leathers, gloves, boots and an ACU approved safety helmet. If you don't wear these items on the day, the circuit will not allow you to ride. Please note certain types of helmet ie. Simpsons are not approved for bike riding on circuit.

Our instructors will be on hand for advice about bike set up and track riding. Please come and see us on the day if you need our assistance.

Please complete the enclosed disclaimer forms (No Limits & MSV forms) and bring them with you to the circuit (one of each per rider). Also, you **must** bring a full unrestricted UK bike licence or ACU Licence on the day at Cadwell Park. **No licence, no riding.** Please note this is not our ruling but the circuit's and we have no control over the matter, therefore we are unable to offer refunds of any sort if you arrive without your licence at these circuits.

Look forward to seeing you on track.
