### Circuit Information

Pit garages: Yes  
Catering: Large excellent canteen open 07:30 – 16:00  
Petrol: Check on the day  
Noise Level strictly 102db  
Full circuit: 2.769 miles.  
Island circuit: 2.362 miles.  
Fosters circuit: 1.66 miles.

At just over 2.7 miles long, Oulton is one of the longest circuits on our calendar and certainly one of the most demanding and rewarding. We often call it Cadwell on steroids. It is very up and down with lots of blind corners. The Shell Chicane is amazing, a steeply banked hairpin – you never seem to go in quick enough! Oulton Park is one of the most popular venues in the country, so booking early is vital.

Check in commences at 07.30 with a full rider briefing at 08.40 for ALL riders. Please arrive as early as possible, the quicker you are checked in the quicker track time can start. All riders OF ALL GROUPS must attend the briefing to be allowed on circuit, you will be presented with a voucher without which you will not be allowed

on track. The sessions commence with the Fast group out on track at 09:00 followed by Intermediate and then Novice groups. Sessions are usually 20 minutes long. We run sessions until 17:00 with an hours break for lunch.

The circuits that we use insist that you wear one-piece race or two-piece zipped together leathers, gloves, boots and an ACU approved safety helmet. If you don't wear these items on the day, the circuit will not allow you to ride. Please note certain types of helmet ie. Simpsons are not approved for bike riding.

Please note the noise level at Oulton Park is 102db. All bikes are to be noise tested at the start of the day. If your bike is over this noise level you may be refused access to the track. This is up to the discretion of the circuit and beyond No Limits control. In this event no refund or credit note may be given.

Our instructors will be on hand for advice about bike set up and track riding. Please come and see us on the day if you need our assistance.

Please complete the enclosed disclaimer forms (No Limits & MSV forms) and bring them with you to the circuit (one of each per rider). Also, you **must** bring a full un-restricted UK Bike licence or ACU Licence on the day at Oulton Park. **No licence, no riding.** Please note this is not our ruling but the circuits and we have no control over the matter, therefore we are unable to offer refunds of any sort if you arrive without your licence at these circuits.

Look forward to seeing you on track.
